Viktoryia Varanchuk

About me

Finance and analytics professional with an International MBA and a Bachelor's degree in Economics, Finance, and Credit (Cum Laude), recently relocated to Switzerland with strong international academic and professional exposure. Hands-on experience in financial accounting, intercompany processes, external reporting, and closing activities at Holy Fashion Group, supporting multiple legal entities in an SAP S/4HANA environment. At Swiss International Air Lines AG, contributed to the design and optimization of financial accounting processes and supported global shared service operations. Highly motivated by data-driven problem solving, with experience in reporting projects, process documentation, and financial analysis, and a proven ability to translate complex data into actionable insights through cross-functional collaboration.
